Domestic Homicide Feb 05 2021 The literature on domestic violence will often treat homicide as its most extreme outcome. The reality is more nuanced, with many domestic homicides occurring within a history of abusive behaviour. This book offers a much-needed synthesis of the literature on domestic homicide, covering its history; the theories supporting it; its various forms such as filicide, intimate partner homicide, parricide, siblicide and familicide; and its prevention. The authors explore the predominant theories that have been used to explain domestic homicides in general, as well as specific subtypes of domestic homicide. Each chapter then takes a chronological approach in examining relationships between victim and perpetrator in the most prominent types of domestic homicide. Drawing on the empirical evidence, it offers a unique insight into the dynamics of domestic homicides, and debunks some of the common stereotypes surrounding it. The book concludes with an overview of the main areas of prevention of domestic homicide and offers recommendations for professionals working in domestic violence services, medical practitioners and mental health services. This book will be of interest to criminologists, psychiatrists, psychologists and sociologists alike, and will be key reading for a range of courses on violence, abuse and aggression.

With Malice Aforethought Oct 04 2020 For more than three centuries the criminal law has given rise to a divergent set of approaches to the crime of homicide. Whereas the law of murder has not conceptually changed, the crime of manslaughter has resulted in some forms of homicide being visited with relatively minor penalties. These various categories of unlawful killing present considerable problems relating to intention, or lack of it, and the culpability of those whose behaviour, while lacking in evident malice, is characterised by the grossest recklessness. The reaction of the relatives of victims is generally simpler. They frequ.

Handbook for Homicide Nov 28 2022 Tricia Miles must swim against the tide to catch a killer when Haven't Got A Clue's assistant manager is accused of murder in the latest entry to Lorna Barrett's New York Times bestselling Booktown series. Haven't Got A Clue bookshop owner Tricia Miles's relationship is on the rocks. After a not-so-fun vacation with her on-again-off-again lover, Marshall Cambridge, Tricia's hoping for smooth sailing back in Stoneham. Unfortunately Booktown greets her not with blue skies but with another body. When Tricia's assistant manager, Pixie, finds homeless vet Susan Morris's body behind Haven't Got A Clue, Pixie's checkered past makes her the prime suspect. Tricia sets out to clear Pixie's name armed with only an anchor insignia earring found at the scene of the crime. As Tricia digs deeper she discovers Susan was involved in a scandal right before retiring from the Navy—but since nobody in the village knows Susan, even Tricia's one lead is in danger of drying up. With family drama brewing in the background and all of Stoneham convinced her manager is a murderer, Tricia knows she has to get to the bottom of the case soon before Pixie's life is sunk.

Organized for Homicide Nov 04 2020 Packing up a client's home can be deadly business. Staying one step ahead of a killer is murder... The job sounded straightforward enough: organize the cross-country move for a divorced father and his children. Until a dead body turns up, and Kate's carefully organized plans are thrown into chaos. Was it an accident? Or murder? When the chain of evidence points police to someone she believes is innocent, Kate becomes emotionally involved. She must follow her gut to unpack the truth before it's too late. With the killer watching her too. All leading her into a dangerous investigation that could result in more than one death if she doesn't watch her step... WHAT PEOPLE ARE SAYING ABOUT ORGANIZED FOR HOMICIDE "Once again, Ritter Ames has crafted a story that pulls the reader right in. This well-plotted cozy mystery is the second in the delightful Organized Mysteries series. I found that I could not put this book down...Cozy mystery readers will love these characters and like me will want to read more of their adventures. So if you like your

mystery well organized, then you should be reading *Organized for Homicide*." My Shelf Reviews "If you enjoy cozy type mysteries, I think you'll enjoy this light fast read." *Murder Most Cozy Organized for Homicide* is the second title in the popular *Organized Mysteries* series from USA TODAY bestselling author Ritter Ames, which features a small town New England setting and interesting characters, along with humor, strong family and friendship ties, and absorbing cozy mysteries.

H Is for Homicide Apr 02 2023 When Kinsey Millhone tracks an insurance scam to Bibiana Diaz, she finds herself entangled in the murderous path of Bibiana's spurned suitor--gangster Raymond Maldonado

Triple Homicide Aug 02 2020 James Patterson's greatest detectives together for the first time! Three electrifying stories from the case files of Alex Cross, Michael Bennett and the Women's Murder Club **DETECTIVE CROSS: An Alex Cross Thriller** An anonymous caller has promised to set off deadly bombs in Washington, DC. A cruel hoax or the real deal? By the time Alex Cross and his wife, Bree Stone, uncover the chilling truth, it may already be too late.... **THE MEDICAL EXAMINER: A Women's Murder Club Thriller (with Maxine Paetro)** A woman checks into a hotel room and entertains a man who is not her husband. A shooter blows away the lover and wounds the millionairess, leaving her for dead. Is it the perfect case for the Women's Murder Club – or just the most twisted? **MANHUNT: A Michael Bennett Thriller (with James O. Born)** Someone attacked the Thanksgiving Day Parade directly in front of Michael Bennett and his family. The television news called it 'holiday terror' – Michael Bennett calls it personal. The hunt is on....

Redefining Murder, Transforming Emotion Mar 28 2020 Offering insights based on years of original research, *Redefining Murder, Transforming Emotion: An Exploration of Forgiveness after Loss Due to Homicide* investigates the ideas and experiences of individuals who have lost loved ones to homicide (co-victims) in order to advance our understanding of the emotional transformation of forgiveness. It stands at the crux of two vibrant, growing fields: criminal victimology and the sociology of emotion. Analysis of 36 intensive interviews with co-victims and three years of participant observation of self-help groups and other victim-centered events offers a multidimensional understanding of forgiveness. Specifically, this book answers the questions of "What?," "When?," "How?," and "Why?" forgiveness occurs by exploring co-victims' ideas about forgiveness, the differential experiences of various groups of people, the processes through which forgiveness occurs in a variety of extreme circumstances of homicide, and co-victims' motivations toward forgiveness. The book concludes with commentary on overarching conclusions based on this work; theoretical and practical implications; suggestions for directions for future inquiry; and an in-depth account of the methodological strategies employed to gather such rich and nuanced data. This book will appeal to academics and students alike, within relevant fields, including sociology, criminology, restorative justice, victim services, psychology, and social welfare, as well as individuals seeking a better understanding of their own experiences, including co-victims or others whose lives have been altered by extreme forms of violence and upheaval. Its detailed postscript will also serve well those interested in qualitative methodology in social science research.

Homicide My Own Sep 14 2021 He drove. The road was lined with fireworks stands, put together with plywood and scrap lumber, with hinged wooden shut-downs over counters packed high with brightly wrapped pyrotechnics from China. Hand lettered signs identified each stand. They seemed to be family enterprises. We later learned that the teen-aged son of each family was obliged to sleep in the shuttered stand with a .357 magnum tucked under his pillow to protect the investment from vandals and thieves. According to law, the fireworks purchased on the reservation must be set off on the reservation, but of course mainlanders came over and filled up their trunks, turning their own quiet neighborhoods into war zones, terrifying the family pets and invariably blowing off some of the little digits of their own children. Don't get me started on fireworks. More distractions for the dumb. Fireworks have killed and maimed more people than marijuana, which to date hovers around zero, but one is legal and encouraged, the other one can get you hard time. Don't get me started. There is no new consciousness born, and no consciousness is ever destroyed. All consciousness resurfaces somehow. That's why we continue to go from life to life, all of us, the same beings, from the limitless beginning of time... every sentient being has been your mother." Rimpoché Nawang Gehlek

Heather and Homicide Mar 21 2022 The new novel in the acclaimed Highland Bookshop mystery series finds a true-crime author murdered in the charming seacoast town of Inversgail—can the women of Yon Bonnie Books discover the killer's identity before he or she strikes again? True crime writer Heather Kilbride arrives in the seacoast town of Inversgail, Scotland, to research a recent murder for her new book. But if that's true, why does she seem more interested in William Clark, a shadowy lawyer with no connection to the murder? Her nosy questions arouse the suspicions of Constable Hobbs, the members of a local writers' group, and Janet Marsh and her crew of amateur sleuths at Yon Bonnie Books. Heather's unconventional research methods prove deadly when Janet discovers her lifeless body. Except the "body" turns out to be a dummy dressed-up to look like Heather. Meanwhile, Heather is sitting at a safe distance observing Janet's reactions. Then Heather is found dead—again—sprawled at the base of an ancient standing stone; and this time it's for real. Clutched in her hand is a valuable miniature book last seen at Yon Bonnie Books, and now the police want to know how Heather, the miniature book, and Janet are all connected. But Janet and her group of sleuths have two questions of their own:

Who else is interested in knowing that connection—and is that person a cold-blooded killer?

G is for Gumshoe Jun 23 2022

Home Sweet Homicide Dec 26 2019 From the “grand dame of mystery mixed with screwball comedy”: The children of a widowed mystery writer play amateur sleuths and matchmakers (Ed Gorman, Ellery Queen Award–winning author). When your mom’s a mystery writer, a talent for detection is only natural. So when the three children of prolific whodunit author Marion Carstairs become material witnesses in a neighborhood murder, they launch their own investigation. And why not? They know everything about baffling mysteries from reading their mother’s books, the publicity could do wonders for her sales, and then she and a handsome detective could fall in love. It’s too perfect for words. Marion’s too busy wrapping up the loose ends of her latest book for the inconvenience of a real crime. But what’s surfacing in the shadows of the house next door is not quite as predictable as fiction: accusations of racketeering, kidnapping and blackmail; a slain stripper; a grieving but slippery husband; a wily French artist; a panicky movie star; and a cop who’s working Marion’s last nerve. If the kids are game, Marion decides she is too—in between chapters, at least. Besides, this whole dangerous bloody mess could turn out to be a source of inspiration! This stand-alone mystery was the basis for the classic 1946 comedy starring Randolph Scott and Peggy Ann Garner and “makes clear why Craig Rice remains one of the best writers of mystery fiction” (Jeffery Marks, author of *Who Was That Lady?*).

Practical Homicide Investigation Dec 30 2022 Renowned for being THE definitive resource for homicide investigators, *Practical Homicide Investigation: Tactics, Procedures, and Forensic Techniques* details the recognized protocols used by investigative divisions of major police departments throughout the world. The text is used in most police academies, including the FBI Academy in Quantico, Virginia. Now in its fifth edition, the book begins with a comprehensive discussion of homicide crime scenes and moves chronologically from initial police notification, the correct police response that follows, and the subsequent steps necessary to conduct an intelligent investigation. It then delves into the more technical aspects of homicide investigation, augmented with numerous pictures and full-color illustrations that involve pertinent case histories. This latest edition includes three new chapters along with fully revised chapters with new case histories and techniques that reflect the latest forensic methods and modern investigative procedures. Highlights of the Fifth Edition Include: Newly revised "Homicide Investigator’s Checklist" A new chapter on the latest DNA technology A rewritten chapter on equivocal death investigations that includes staged crime scenes Additional information on modes of death Fully updated chapters on death notifications, sex-related homicide, management for police administrators, suicide investigation, and narcotics-related and homosexually based homicides Over 920 photos and illustrations, 250 new photographs, and several new case histories Eminent author, lecturer, consultant, and expert witness Vernon J. Geberth incorporates his more than four and a half decades of real-world law enforcement experience in this quintessential reference. This classic and must-have resource provides the most vital information needed by detectives and police investigators responsible for cases in violent and sudden death. Remember: do it right the first time. You only get one chance. —Vernon J. Geberth, M.S., M.P.S., Homicide and Forensic Consultant, Author of *Practical Homicide Investigation*, and Series Editor of *The Practical Aspects of Criminal and Forensic Investigations*

Homicide Oct 28 2022 The human race spends a disproportionate amount of attention, money, and expertise in solving, trying, and reporting homicides, as compared to other social problems. The public avidly consumes accounts of real-life homicide cases, and murder fiction is more popular still. Nevertheless, we have only the most rudimentary scientific understanding of who is likely to kill whom and why. Martin Daly and Margo Wilson apply contemporary evolutionary theory to analysis of human motives and perceptions of self-interest, considering where and why individual interests conflict, using well-documented murder cases. This book attempts to understand normal social motives in murder as products of the process of evolution by natural selection. They note that the implications for psychology are many and profound, touching on such matters as parental affection and rejection, sibling rivalry, sex differences in interests and inclinations, social comparison and achievement motives, our sense of justice, lifespan developmental changes in attitudes, and the phenomenology of the self. This is the first volume of its kind to analyze homicides in the light of a theory of interpersonal conflict. Before this study, no one had compared an observed distribution of victim-killer relationships to "expected" distribution, nor asked about the patterns of killer-victim age disparities in familial killings. This evolutionary psychological approach affords a deeper view and understanding of homicidal violence.

K is for Killer May 23 2022 Now available to a new generation of readers, this classic Kinsey Millhone mystery finds Kinsey taken into the heart of murder, where the victims rise up as a reminder that the taking of a life is no laughing matter.

Homicide: The Hidden Victims Feb 17 2022 Social scientist, victim advocate, and the mother of a murder victim - Deborah Spungen is well acquainted with all facets of what she defines as "the blackest hell accompanied by a pain so intense that even breathing becomes an unendurable labor." In *Homicide: The Hidden Victims*, Spungen illustrates just how and why family members become co-victims when a loved one is murdered, and she poignantly addresses the emotional, physical, spiritual, and psychological effects of such traumatic events. The

timely information and innovative modalities discussed in this book make it ideal for mental health and criminal justice professionals, pastoral counselors, social workers, and victim advocates.

H is for Homicide Nov 16 2021 A Kinsey Millhone mystery. . . Any reader who needs a smart and sassy P.I. would do well to hire Sue Grafton's Kinsey Millhone. . . . H' is for Homicide continues to show the author in strong storytelling form. . . . [It] finds Kinsey Millhone working on a case involving the death of a claims adjuster for a California insurance company. The story takes her into the Los Angeles barrio in pursuit of a violent criminal, into jails and hospitals, and into a grungy bar named the Meat Locker. . . . Count on Millhone not only to corner the murderer but also to make a statement against the foibles of the insurance game." --The New York Times
Homicide Special Jan 07 2021 With an Updated Epilogue by the Author "A compelling portrait of seasoned homicide cops at work. This is L.A.'s darkest side: ironic, heart-breaking, stunningly violent, unfailingly human. Riveting." -Jonathan Kellerman The mandate for Los Angeles' unique police unit Homicide Special is to take on the toughest, most controversial, and highest-profile cases. In this "literate, unfailingly interesting work of true crime" (Kirkus Reviews), acclaimed writer Miles Corwin uses unprecedented access to narrate six of the unit's cases-and capture its newest generation at work. When a call girl from Kiev dies in the line of duty, detectives Chuck Knolls and Brian McCartin seek her killer among a circle of Russian women who have been sold into white slavery. When a gangster's daughter takes a bullet, veterans Jerry Stephens and Paul Coulter trace clues scattered across the country to a Manhattan real-estate magnate. A cold case is reopened; a mother-daughter drowning and a baffling rape/murder are solved. And, finally, Corwin re-creates the investigation surrounding the late Bonny Lee Blakley, allegedly murdered by her actor-husband, Robert Blake. With a revised epilogue updating each of these fascinating cases, Homicide Special offers a riveting, behind-the-scenes look at one of the preeminent units of homicide detectives in the country.

Soul Cage May 30 2020 A severed hand, a missing body, and a victim who was living under a false identity all add up to the most complex and challenging case yet for Homicide Detective Reiko Himekawa - in Tetsuya Honda's Soul Cage. A worker reports his boss missing, and a large amount of blood is found in the rented garage he used. At the same time, a severed left hand is found in a minivan abandoned in the outskirts of Tokyo, which is quickly identified as belonging to this missing man, Kenichi Takaoka. Lt. Reiko Himekawa of the Homicide Division of the Tokyo Metropolitan Police Department is assigned to the investigation, along with her squad and several other units. From the amount of blood spilled in the van and at the crime scene, it's clear to the team that the missing contractor Keninichi Takaoka is dead and presumably murdered. But searches of the area around the abandoned van and the river itself fail to turn up the rest of the body. The mystery surrounding the murder takes a sharp turn when a childhood friend of the presumed victim is shown a recent photo and definitively declares that the missing man is not Takaoka. With every line of investigation leading to a confusing dead end, Himekawa and her team uncover a trail leading to a long-running yakuza scheme of forced suicide for profit, a complex history of victims, and a case of past transgressions coming back to destroy the present. As time runs out, Himekawa must unravel the mystery surrounding the severed hand if she's to protect and rescue the next victim.

Homicide in Criminal Law Jan 31 2023 This volume presents a leading contribution to the substantive arena relating to homicide in the criminal law. In broad terms, the ambit of homicide standardisations in extant law is contestable and opaque. This book provides a logical template to focus the debate. The overall concept addresses three specific elements within this arena, embracing an overarching synergy between them. This edifice engages in an examination of UK provisions, and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for content. The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to homicide in the context of the criminal law. The debate in relation to homicide continues apace for academics, practitioners and within the criminal justice system. Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems' approaches serves to stimulate and inform that debate. This collection will be a major source of reference for future discussion.

Homicide Investigation Field Guide Jan 25 2020 This practical field guide contains many of the checklists necessary to guide the first responder step-by-step through procedures, tactics, and forensic techniques used in sudden death and violent death investigations. Using these protocols, techniques and checklists will ensure that a proper and complete investigation is undertaken at the death scene. Covers basic investigation protocols as well as protocols for sexual assault Contains diagrams on how to search the scene, how to sketch the scene, and physical evidence guidelines as well as a forensic photography primer Includes a detailed checklist of who, what, where, when, why and how

Homicide Jan 19 2022 A behind-the-scenes look at the detectives working for the NYPD's most prestigious homicide division. This intimate photographic study examines the detectives working for the NYPD's most prestigious homicide division in Brooklyn, a profession that has been woven into American mythology. Wenner was the first photographer in the history of the NYPD to be granted unprecedented access to the division. In the long-lived tradition of photographers like Weegee and filmmakers like Martin Scorsese revealing New York City's dark side, Wenner spent two years capturing these men up close and behind-the-scenes for the first time,

documenting their investigative work and its ugly counterpart—murder—all within America's most iconic city. *With Malice Aforethought* Sep 26 2022 For more than three centuries the criminal law has given rise to a divergent set of approaches to the crime of homicide. Whereas the law of murder has not conceptually changed, the crime of manslaughter has resulted in some forms of homicide being visited with relatively minor penalties. These various categories of unlawful killing present considerable problems relating to intention, or lack of it, and the culpability of those whose behaviour, while lacking in evident malice, is characterised by the grossest recklessness. The reaction of the relatives of victims is generally simpler. They frequently find it impossible to understand how those who kill by dangerous or drunken driving may receive comparatively lenient sentences, while those convicted of manslaughter following a drunken brawl may be dealt with more severely, and yet others, convicted of so-called 'mercy killings', are subject to the mandatory penalty of life imprisonment. This book addresses the powerful and controversial arguments for the current distinctions between murder, manslaughter and other specific categories of crime to be abolished and subsumed within a single crime of culpable homicide. In the course of this analysis the authors consider a number of issues of great contemporary importance, including the presentation of expert evidence in cases involving unexplained infant death, corporate killing, and the question of the defences available to the accused, including self-defence and provocation, where popular notions of what is reasonable or justifiable may be at variance with legal precedent. While this book aims to consider criminal homicide in its social, historical and legal setting, it also goes far beyond in setting out the case for radical reform.

Sexual Homicide: Patterns and Motives- Paperback Sep 02 2020 Who are the men committing the rising number of serial homicides in the U.S. -- and why do they kill? The increase in these violent crimes over the past decade has created an urgent need for more and better information about these men: their crime scene patterns, violent acts, and above all, their motivations for committing these shocking and repetitive murders. This authoritative book represents the data, findings, and implications of a long-term F.B.I.-sponsored study of serial sex killers. Specially trained F.B.I. agents examined thirty-six convicted, incarcerated sexual murderers to build a valuable new bank of information which reveals the world of the serial sexual killer in both quantitative and qualitative detail. Data was obtained from official psychiatric and criminal records, court transcripts, and prison reports, as well as from extensive interviews with the offenders themselves. Featured in this book is detailed information on the F.B.I.'s recently developed Violent Criminal Apprehension Program (VICAP) and a sample of an actual VICAP Crime Analysis Report Form.

Homicide Dec 18 2021 Homicide examines the incidence and prevalence of homicide in major western nations, covering the biological, psychological and social roots of homicide from genetic and evolutionary perspectives, but also considering emotions and the influence of peers. Different types of homicide are discussed, with final chapters covering tactics for investigation and homicide prevention. Students and instructors in the areas of forensic science, sociology, criminology, psychology, psychiatry, justice and criminal justice at the university level will find this book to be a comprehensive resource, as will those researching homicide and related topics. Provides an up-to-date examination of homicide, including rates, causes and responses to from an international point-of-view Includes multiple homicide types (serial, spree and mass), ideological homicide, and domestic and sexual homicide, amongst others Uses historical and current research and theory on homicide from around the world

Social Media Homicide Confessions Apr 09 2021 The relationship between crime and social media has become an increasingly important topic in a networked world. However, the use of social media in relation to violent crime is little understood. This unique book, by an expert in the field, addresses this gap by analysing what those involved in homicide do with social media. Using three international cases in which perpetrators confessed to homicide on social media, it investigates the practices of those involved, providing a groundbreaking conceptual framework of use to criminologists. It argues that such confessions convey important insights not only into the individual offender but also the social and cultural context of contemporary homicide.

Three Complete Novels : G is for Gumshoe; H is for Homicide; I is for Innocent Oct 16 2021

Fine Lines and Distinctions Mar 09 2021 Written by two of the UK's leading experts on the law of homicide. Contains new information and analysis. Suggests a radical new solution to the 'mess' which English homicide law has become. In this powerful account, the authors show that—from Sir Edward Coke's classic common law definition of murder, through political fixes, poorly thought-out compromises and misguided legislative or Executive tinkering—the English law of homicide is in 'a mess'. Even the most adept legal minds are faced with what has been described in Parliament as 'fine lines and distinctions'. What must juries make of messy laws and how can anyone have confidence in criminal justice if laws affecting some of the most serious offences in the criminal calendar are deeply flawed? To make matters worse, the entire subject of homicide in England and Wales is further distorted by the existence of the mandatory life sentence for murder. Building on unrivalled knowledge, extensive research, close practical observation and incisive analysis, Professor Terence Morris and Sir Louis Blom-Cooper QC trace the development of the law of homicide from early times to the present day. They counter and dismantle specious arguments for preserving the status quo and point out that only root and

branch reform of the basis of liability for homicide and its sentencing regime will serve to restore justice, fairness and political probity. Professor Terence Morris and Sir Louis Blom-Cooper QC are two of the UK's leading experts on the law of homicide, having studied developments together for over 50 years. This has led them to recognise the extent of disquiet, especially following 'particularly troubling cases' and to conclude that the law of homicide in England and Wales is 'an unsatisfactory law enveloped in a political fix'. Their suggestion of a replacement single offence of criminal homicide coupled with abolition of the mandatory life sentence for murder in favour of discretion at the sentencing stage demands close study by judges, lawyers, legislators, academics, penal reformers and anyone who senses that something is seriously amiss. 'This is no dry legal tome. The authors present their case in a bracing, persuasive and highly readable way... This is an important and stimulating work that should engage not just the legal practitioner, politician or law student but anyone concerned with our justice system or puzzled by the conduct and outcome of a murder trial': guardian.co.uk 'Fine Lines and Distinctions prompted me to pay more attention to and reflect further on those who have killed. Though its primary focus is the law - specifically a potentially significant improvement to the law - I also warmly recommend it to anyone interested in lifers': Independent Monitor 'This timely, provocative and certainly topical book puts forward a closely argued and well supported case for encouraging "a root and branch reform of the law of homicide" ... [and] provides ample evidence and ammunition to those who would agree that such a reform should be put in place as a matter of urgency': by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers.

Ghettoside Aug 14 2021 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, USA TODAY, AND CHICAGO TRIBUNE • A masterly work of literary journalism about a senseless murder, a relentless detective, and the great plague of homicide in America NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Boston Globe • The Economist • The Globe and Mail • BookPage • Kirkus Reviews On a warm spring evening in South Los Angeles, a young man is shot and killed on a sidewalk minutes away from his home, one of the thousands of black Americans murdered that year. His assailant runs down the street, jumps into an SUV, and vanishes, hoping to join the scores of killers in American cities who are never arrested for their crimes. But as soon as the case is assigned to Detective John Skaggs, the odds shift. Here is the kaleidoscopic story of the quintessential, but mostly ignored, American murder—a "ghettoside" killing, one young black man slaying another—and a brilliant and driven cadre of detectives whose creed is to pursue justice for forgotten victims at all costs. Ghettoside is a fast-paced narrative of a devastating crime, an intimate portrait of detectives and a community bonded in tragedy, and a surprising new lens into the great subject of why murder happens in our cities—and how the epidemic of killings might yet be stopped. Praise for Ghettoside "A serious and kaleidoscopic achievement . . . [Jill Leovy is] a crisp writer with a crisp mind and the ability to boil entire skies of information into hard journalistic rain."—Dwight Garner, The New York Times "Masterful . . . gritty reporting that matches the police work behind it."—Los Angeles Times "Moving and engrossing."—San Francisco Chronicle "Penetrating and heartbreaking . . . Ghettoside points out how relatively little America has cared even as recently as the last decade about the value of young black men's lives."—USA Today "Functions both as a snappy police procedural and—more significantly—as a searing indictment of legal neglect . . . Leovy's powerful testimony demands respectful attention."—The Boston Globe

The Handbook of Homicide Apr 21 2022 The Handbook of Homicide presents a series of original essays by renowned authors from around the world, reflecting the latest scholarship on the nature, causes, and patterns of homicide, as well as policies and practices for its investigation and prevention. Includes comprehensive coverage of the complex phenomenon of homicide and its various forms Features original contributions from an esteemed team of global experts and scholars with chapters highlighting the authors' original research Represents the first internationally-focused collection of the latest research on the nature and causes of homicide Covers both the causes and dynamics of homicide, as well as policies and practices intended to address it

Haunted Homicide Feb 26 2020 Avery Morgan has been hired to breathe new life into the Portage Path Women's Club, but first she'll have to deal with a dead body and a meddling ghost. Avery Morgan has had a harrowing first week on the job as manager of the Portage Path Woman's Club. Not only is she in charge of a grand old home with a mountain of maintenance problems and scheduling nightmares--thanks to a recent fire in the Marigold meeting room--but she's also got Muriel Sadler to deal with. Muriel is the current president of the club, the one "nay" vote when the rest of the board voted "aye" to hiring Avery. After a morning of dealing with another one of Muriel's snits and a meeting with the delicious and delightfully unsettling Ben Harkness, who will be handling renovations in the fire-damaged portions of the house, the last thing Avery needs is for one of the fuses to blow. Again. She grabs her handy flashlight and heads into the basement, where she stumbles across Muriel's body. She also stumbles across an unexpected helper, Clemmie Bow, the ghost of a young woman who was accidentally killed in the building almost a hundred years ago. Together Clemmie and Avery are determined to solve Muriel's murder before the killer sends Avery to join Clemmie on the other side.

Killing in Self-Defence Aug 26 2022 This book is a comprehensive analysis of the criminal defence of self-

defence from a philosophical, legal and human rights perspective. The primary focus is on self-defence as a defence to homicide, as this is the most difficult type of self-defensive force to justify. Although not always recognised as such, self-defence is a contentious defence, permitting as it does the victim of an attack to preserve her life at the expense of another. If one holds that all human life is of equal value, explaining why this is permissible poses something of a challenge. It is particularly difficult to explain where the aggressor is, for reasons of non-age or insanity for example, not responsible for her actions. The first part of the book is devoted to identifying the proper theoretical basis of a claim of self-defence. It examines the classification of defences, and the concepts of justification and excuse in particular, and locates self-defence within this classification. It considers the relationship between self-defence and the closely related defences of duress and necessity. It then proceeds critically to analyse various philosophical explanations of why self-defensive killing is justified, before concluding that the most convincing account is one that draws on the right to life with an accompanying theory of forfeiture. The book then proceeds to draw upon this analysis to examine various aspects of the law of self-defence. There is detailed analysis of the way in which, on a human rights approach, it is appropriate to treat the issues of retreat, imminence of harm, self-generated self-defence, mistake and proportionality, with a particular focus on whether lethal force is ever permissible in protecting property or in preventing rape. The analysis draws on material from all of the major common law jurisdictions. The book concludes with an examination of the implications that the European Convention on Human Rights might have for the law of self-defence, especially in the areas of mistaken belief and the degree of force permissible to protect property.

Understanding Homicide Mar 01 2023 "Lively and engaging, *Understanding Homicide* impressively fills an important gap in the current criminological literature... an authoritative and readable text on homicide." Keith Soothill, Lancaster University, UK Why do people kill? How is homicide investigated? What are the patterns and characteristics of UK homicide? How can it be prevented? Here is a comprehensive and challenging text unravelling the phenomenon of homicide. The author combines original analysis with a lucid overview of the key theories and debates in the study of homicide and violence. In introducing the broad spectrum of different features, aspects and forms of homicide, Brookman examines its patterns and trends, how it may be explained, its investigation and how it may be prevented. Areas covered include: · the killing of children · multiple homicide (including serial and mass murder, terrorism and corporate homicide) · domestic homicide · female killers · homicide amongst men The book is unique in its focus, coverage and style and bridges a major gap in criminological literature. Whilst focused in several respects upon the UK experience of homicide, the text necessarily draws upon and makes a significant contribution to international literature, research and debate. The text has been written in a style that will be accessible to a wide audience and assumes no prior knowledge. Features to aid the student include study tasks, review questions and annotated suggested further reading, including internet resources. *Understanding Homicide* is ideal for undergraduate and postgraduate students in the fields of criminology, criminal justice, psychology, sociology and forensics. It will also be invaluable to academics, researchers and practitioners interested in the phenomenon of homicide and the broader issue of violence.

Homicide Jun 11 2021 Echoing Durkheim's *Suicide*, this book focuses on one important phenomenon to explain larger currents in American society. Leonard Beeghley examines the historical and cross-national dimensions of homicides and evaluates previous attempts to explain it. He finds the sources of America's murder rate in the greater availability of guns, the expansion of illegal drug markets, greater racial discrimination, more exposure to violence, and sharper economic inequalities. He deftly blends the evidence related to each of these factors into a well-reasoned sociological analysis of the nature of American society.

Murder in America May 11 2021 This volume presents an examination of both the common and unusual acts of murder in light of society's changing norms, values, attitudes, and customs. Each chapter explores a specific type of murder by examining trends, methods, motives and statistics, and concludes with suggestions aimed at prediction and prevention.

The Ancient Hebrew Law of Homicide (Classic Reprint) Apr 29 2020 Excerpt from *The Ancient Hebrew Law of Homicide* The law of homicide is an index to certain sides of national character. Where there is a small, powerful class able to monopolize rule and government, the rights of the great mass of common people are weak and ill-assured. In such a society there is much violence. Arrogant and turbulent spirits are in perpetual rivalry, and compete for mastery. The stronger steadily eliminate the weaker. Life is held cheap. The chiefs, who are always risking their own lives, compel their underlings, who have no great stake in the contest, to risk theirs. It is a kind of feudal system, in which each chief is the head of a clan or other organization with whose aid he hopes to retain or to achieve pre-eminence. Out of such a condition the early laws of homicide arise. Clans in juxtaposition are never quite at peace with each other. There may be a kind of truce, but this is liable to be broken at any moment. The murder of a clansman by a member of another clan is *casus belli*, for the sufficient reason that it weakens the assailed clan. If unpunished, the act tends to be repeated, and this process would, in a relatively short time, bring the weakened clan under subjection to the aggressor clan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-

of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Hollywood Homicide Dec 06 2020 Winner of the 2018 Anthony Award for Best First Novel Winner of the 2017 Agatha Award for Best First Novel Also a Lefty Award Winner and a Barry Award-Nominated Title The Surprise Hit of the Season! Actress Dayna Anderson's Deadly New Role: Homicide Detective Dayna Anderson doesn't set out to solve a murder. All the semifamous, mega-broke actress wants is to help her parents keep their house. So after witnessing a deadly hit-and-run, she pursues the fifteen grand reward. But Dayna soon finds herself doing a full-on investigation, wanting more than just money—she wants justice for the victim. She chases down leads at paparazzi hot spots, celeb homes, and movie premieres, loving every second of it—until someone tries to kill her. And there are no second takes in real life. Praise: "[A] winning first novel and series launch...Garrett writes with humor and insight about the Hollywood scene. Readers will look forward to Day's further adventures."—Publishers Weekly (starred review) "A smart, sassy debut, introducing an appealing protagonist with amusing friends."—Library Journal (starred review) and Debut of the Month "Veteran TV writer Garrett uses her Cold Case experience to inform her debut, which sets up more than one charming character and isn't afraid to go cynical on all things LA."—Kirkus Reviews "Funny, lively characters populate this new Detective by Day series...this will be an entertaining entry into the amateur sleuth genre."—RT Book Reviews "Fun, smart, endearingly flawed, and impressively determined, Dayna Anderson is a heroine readers will fall in love with...I relished every unexpected twist and turn of this highly entertaining mystery!"—Kyra Davis, New York Times bestselling author

H is for Homicide May 03 2023 H is for Homicide is the eighth in the Kinsey Millhone mystery series by Sue Grafton. It was one of those occasions when I suddenly realised how happy I was. I was female, single, with money in my pocket . . . I had nobody to answer to and no ties to speak of. As usual I'd forgotten how surges of goodwill merely presage bad news. After a three-week-long investigation, Kinsey couldn't wait to get home. What she needed most was a few quiet days by herself – but two things happened to change all her plans. First she ran into a murder case. Then Kinsey met Bibiana Diaz, and before the night was over they were sharing a prison cell . . .

Homicide and Halo-Halo Jul 13 2021 Death at a beauty pageant turns Tita Rosie's Kitchen upside down in the latest entry of this witty and humorous cozy mystery series by Mia P. Manansala. Things are heating up for Lila Macapagal. Not in her love life, which she insists on keeping nonexistent despite the attention of two very eligible bachelors. Or her professional life, since she can't bring herself to open her new café after the unpleasantness that occurred a few months ago at her aunt's Filipino restaurant, Tita Rosie's Kitchen. No, things are heating up quite literally, since summer, her least favorite season, has just started. To add to her feelings of sticky unease, Lila's little town of Shady Palms has resurrected the Miss Teen Shady Palms Beauty Pageant, which she won many years ago—a fact that serves as a wedge between Lila and her cousin slash rival, Bernadette. But when the head judge of the pageant is murdered and Bernadette becomes the main suspect, the two must put aside their differences and solve the case—because it looks like one of them might be next.

Justifiable Homicide Jul 25 2022 This book, Justifiable Homicide, exams twenty actual criminal cases where a woman has been charged with the crime of murder as the result of a homicide where the victim is a man. What does the criminal justice system do with a woman who is on trial for murder? An interesting question. The answer may surprise any person who reads this book.

A Global Casebook of Sexual Homicide Jul 01 2020 This book comprehensively discusses 13 infamous cases of serial and non-serial sexual homicide committed around the globe in the past four decades (1974–2010). Offering a psycho-criminological perspective, it analyzes the cases theoretically (i.e., contributing and precipitating factors, and offender typology) and considers the practical implications (i.e., investigative and crime-preventive measures, and social services). The first book to offer a glimpse of this topic from a global perspective, it adopts a unique approach—case background and critical analysis. As such it is a valuable source of reference for scholars, clinicians, and law enforcement practitioners wanting to gain a better understanding of this type of violent offender.
